

## Instructions for preparing posters

**Format:** please prepare your printed poster in format A0 (portrait). We will provide poster walls and pins for mounting the printed posters at the conference in the beginning of the conference. We would ask you to remove it again at the end of the conference.

**Sending us your Poster:** Please send the **pdf of your poster** to [verena.beck@acib.at](mailto:verena.beck@acib.at) before **Nov. 1<sup>st</sup>, 2021**. All the posters will be available online for the participants during the conference.

You shall organize the poster in a way that it is clear, orderly, and self-explanatory. The poster must cover the same content as the abstract. You shall label different elements as 1, 2, 3, or A, B, C. This will make it easier for a viewer to follow your display. You shall design the individual sections of your poster so that they can be quickly read. Please, avoid large blocks of text and long sentences.

You shall place the title of your paper clearly at the top of the poster to allow viewers to easily identify your paper. Indicate the authors' names and address information in order to allow interested viewers to contact you for more information.

You shall avoid abbreviations, acronyms, and jargon. Avoid fuzzy images; make sure all graphics are high-resolution and easily visible. You shall make sure that there is enough contrast between the colour of the text and the poster's background.

All posters shall be in English. You shall not use special characters (e.g. «, Ö, Ø, ñ, ε, ®, ý, }, {, etc.) to name your file. Do not use passwords or encryption with your files.

It is the author's responsibility to ensure that each part of the poster (figures, tables, images, etc.) is free of any third-party rights and is cited correctly.
